

PRO-A

POLARIZED REFRIGERANT OIL ADDITIVE

QUIETS NOISY COMPRESSORS
IMPROVES HEAT TRANSFER
REDUCES ENERGY CONSUMPTION
EXTENDS SYSTEM LIFE

- Frees sticky expansion valves.
- Increase metal's resistance to oxidation up to 78%.
- Save up to 25% on energy consumption.
- Decrease equipment maintenance up to 70%.
- Reduce seal degradation up to 80%.
- Increase system lubrication up to 1200%.

Pro-A is part of the Pro Tech Service Kit Product Line exclusively available through Highside Chemicals, Inc.

It is available in a clamshell package with injector hose, and a refill kit without hose.

PRO-A

**Advanced Rejuvenator
& Conditioner!
Renews AC and
Refrigeration Systems**

- Lubricator • Conditioner
- Renew O-Ring and Seal Elasticity
- Lubricate Moving Metal Parts

Is compatible with all refrigerants and refrigeration lubricants. It's polymer-free, tested to be non-clogging to the A/C compressor and recovery equipment.

- **Frees sticky expansion valves.**
- **Save up to 25% on energy consumption.**
- **Decrease equipment maintenance up to 70%.**
- **Reduce seal degradation up to 80%.**
- **Increase metal's resistance to oxidation up to 78%.**
- **Increase system lubrication up to 1200%.**

Highside PRO-A® extends system life and quiets noisy compressor. Improves system lubrication. Reduces energy consumption. Improves efficiency of older AC systems.

Application for AC and Refrigeration Systems

**2 Ounces of PRO-A for every
Three (3) tons of refrigeration
or 5 to 7% of system's oil volume.**

The injector threads are plastic,
be careful not to cross threads.
Be sure to use good service practices
at all times.

Highside PRO-A® is compatible with all refrigerants and refrigeration lubricants. It's polymer-free, tested to be non-clogging to the A/C compressor and recovery equipment.

**Safe For Reclamation Equipment
Recommendations for Charging Inside Package
- For Professional Use Only -**

PRO-A® extends compressor life and reduces noise, improves A/C system lubrication and reduces friction. It conditions and revitalizes the A/C system while reducing energy consumption.

**Contains no butanes or propane.
Recommended for All Refrigeration
and Air Conditioning Systems.**

**CAUTION: Do not ingest. Avoid eye and skin contact.
KEEP AWAY FROM CHILDREN.
CALL 1-800-255-3924 24 HOURS.
Warranty Limited to Replacement of Product.**
